6 August 1953

REPORT FOR THE WEEK OF 3 - 7 AUGUST

To: The Deputy Director of Training (G)

From: Management Training Division

Accomplishments

25X1

[redacted] and several other ladies in the Agency met with Mr. Kirkpatrick and Mr. Dulles last week to discuss the status of women in CIA. Miss [redacted] was asked to serve as chairman of a committee of twelve women from various offices of the Agency to answer some immediate questions for Mr. Dulles, and to work on the formulation of a status report with long-term implications. Under [redacted] leadership, the larger committee has been broken up into four sub-committees for the purposes of their investigations.

Completed the initial phase of the Human Resources Program with the second group of supervisors in the Logistics Office, - 12 branch chiefs and staff.

Had a pleasant and profitable conference on Monday with [redacted] chief of the largest division in TSS, regarding the H. R. Program conducted with his branch chiefs.

25X1

Plans

25X1

[redacted] will complete his current training (BIC - CS) on 14 August and will then work on some plans in this office.

25X1

[redacted] will complete her current training (BIC - I) on 14 August and will then work with [redacted] to take over the duties of Chief of the Clerical Refresher Section by about 15 September.

25X1

We see little possibility of utilizing the resources of Booz, Allen, and Hamilton for management training for quite some time.

The Human Resources Program will be conducted with the third and fourth groups of supervisors in Logistics on 18 August and 26 August respectively.

I shall attend the conference on THE PROBLEM OF SOVIET IMPERIALISM, 10 - 14 August, but will keep in touch with the office daily.

25X1

Chief, Management Training Division
